## **Chamber Marketing Program**

**As a member of the Clinton-Sampson Chamber of Commerce, take advantage of the following partnerships created to assist in advertising and growing your business at discounted prices *because you're a Chamber member.***

### StarVision

Contact Chris Heuer: 910-385-4450

Chamber Members are able to add an extra Network (and ads) to the air schedule.

*For example: If a member had purchased 500 commercials and was running them on 2 Networks (say, A&E and Lifetime), they would have 250 ads on each network. Star will match that with one more network of their choosing, - 250 (free ads) on Discovery Channel. This would be with a minimum purchase of 2 networks and a 3 month commitment. That is a great benefit because it potentially adds a new demographic of viewers for free.*
